

Click on eLiterature link on the menu bar.

Read through the Must Read Instructions. For those used to downloading books directly into Kindle or other reader app directly from Amazon or Barnes and Noble or other, this is different as we are a third party. Our process makes the literature available but you've got to be sure it gets into your eReader. This will help to ensure that happens.

CEA-HOW publications include guides, workbooks, pamphlets, and books to help you in your journey toward freedom from compulsive eating.

New eLiterature Format

We are pleased to announce that, along with the printed form of our publications, we now offer the Program Basics in eBook format. The Program Basics include Forever Abstinent, Sponsor Guidelines, Steps 6-12, Maintenance Sponsor Guide and The Twelve Traditions Study Guide. Over time we plan to make all of our literature available in both print and eBook format on this site.

To purchase our eLiterature you do not need to own a special device such as a Nook or a Kindle. If you have any device, computer, laptop, tablet, smart phone, that can download an app you can purchase our eLiterature and hear/read it on your device

DO NOT ORDER BEFORE READING THE FOLLOWING:

- Before you purchase eLiterature, you will need to have an eReader app downloaded on your PC, tablet or smartphone. CEA-HOW does not endorse any specific eReader app. You can download eReader apps from your favorite app store.
- If you are using a PC, you will next want to set up your eReader as your default application. Click here for step by step instructions. [Before You Start](#)
- If you use the Kindle app and would like your eLiterature available on multiple devices, review these instructions before you start: [Kindle App User Instructions](#)
